

FEES – 2011/2012

Please note in common with many independent schools, the fees do not include external examination charges, however our fees do include a number of benefits which other schools often charge in addition. Kingswood fees include all text books, insurance for personal accident (including emergency dental treatment) cover for personal effects and the School Magazine, Kingswood in Focus. In the case of boarding pupils, our fees also include all meals and laundry services. Fees do not include external examinations charges.
